Unit Theme:

Past and Present Lifestyles

November 6-10, 2017

Language Arts/Reading

Phonemic Awareness – Students will put syllables and sounds together to make new words. Students will continue to listen for sounds in words. Learn sound for /u/, /w/, /j/, /y/.

Phonics – Students will practice writing the letters that match the sounds we've learned. Sight words: get, so. Students will read CVC words.

Literature – Students will listen to a story and discuss the characters, setting and plot throughout the week. We will sequence three or more events from a story and retell it to a partner.

Writing – Students will strongly focus on writing the sounds in the words they want to write, putting spaces between words where needed. Words must match their pictures and they should be able to read them back to the teacher.

Things to work on at home with your child:

- Practice writing your name and the sounds you hear in words, putting spaces between words
 - Counting to 60 by ones
- Read with your child every night and discuss the stories you've read
 - Practice writing numbers 0-15 every night!
- Read the phrases on the back of the newsletter

Math

Students will compare weight and volume of containers, exploring the concept of conservation of weight and volume, as well.

Social Studies/Science

Students will sort foods into the correct food groups, and expand by coming up with their own foods for each. Students will discuss past lifestyles with present lifestyles and discuss how things have changed over time.

TAKE HOME FOLDER

Please check your child's folder each night for school information. Any transportation changes should be put in this folder.

Reminders:

- Any money sent to school should be in an envelope labeled with your child's name and what it is for. Please place these in their folders.
- Please put an extra set of clothes (shirt, socks, underwear and shorts) in your child's backpack in case of an accident. Place these items in a zip-lock bag and write your child's name on it.
