Unit Theme:

Poetry

March 26-29, 2018

Language Arts/Reading

Phonemic Awareness – Students will put multiple sounds together to make new words. Students will break apart the sounds in words with 4 or more sounds. Students will identify and produce rhyming words.

Phonics – Students will read stories by using picture clues, blending all sounds in words and using sight words learned.

Literature – Students will listen to poems and identify rhyming words. Students will work in small groups to create their own poems.

Writing – Students will write to tell about their opinions of poems.

Things to work on at home with your child:

- Practice writing sentences about books you read at home
- Counting to 100 by ones and tens
- Read with your child every night and discuss the stories you've read.
- Practice writing numbers 0-20

Math

Students will focus on making groups of ten and more to create teen numbers.

TAKE HOME FOLDER

Please check your child's folder each night for school information. Any transportation changes should be put in this folder.

Social Studies/Science

Students will continue to use all the information we have learned about our communities, needs and wants, money and working together to work in a community in our classroom. Students will shop for needs and wants, identify the correct coins they need to shop and visit multiple shops, having respectful encounters with their peers.

Reminders:

- Any money sent to school should be in an envelope labeled with your child's name and what it is for. Please place these in their folders.
- Please put an extra set of clothes (shirt, socks, underwear and shorts) in your child's backpack in case of an accident. Place these items in a zip-lock bag and write your child's name on it.
